SUPREME PETRA, SAE 10W-30 is the latest generation of Multigrade Petrol Engine oil suitable for use in modern petrol passenger car engines where API SN, SM, SL are required. Supreme Petra Multigrade will maintain engine cleanliness, reduce wear & tear and prolong engine life.

PRODUCT FEATURES & BENEFITS

- Excellent low temperature capability
- Ensures piston cleanliness and wear protection
- Sludge & deposit control
- Increased engine durability
- Improved frictional properties ensures excellent fuel economy
- Extended oil drain intervals
- Complete protection of emission systems
- Longer engine life

APPLICATIONS

- Petrol Engines which require SAE 10W-30 viscosity range as per Vehicle manufacturers Viscosity grade recommendations and for some models of Toyota, Alto, Maruti and Suzuki motor cars.
- Gasoline Engines required with API SN, SM and ILSAC GF-5 Performance grades.
- ILSAC GF-5 or below performance grades/specifications
